## Terms Governing This Sale

Bidders unknown to us will please furnish bank or other references or deposit 25 per cent with their bids and it is agreed that remittance will be made upon receipt of invoice if references are not furnished.

Any coin which is not satisfactory may be returned within five days from date of receipt for full refund. You must be satisfied. **PAYMENT TO BE MADE UPON RECEIPT OF MERCHANDISE.** Coins remain our property until paid for. There will be no charge for executing your bids but the purchasers will be required to pay the postage and insurance on their purchases. If you do not wish coins sent airmail please note this on your bid sheet.

We shall welcome your bids and will try to purchase the coins as much below your bids as possible. **PLEASE BID BY THE LOT.** Unlimited bids are executed at an advance of 5 per cent over the next highest bid. Numbers in ( ) are the quantity of that item.

If you are interested in any particular coin, we shall be glad to have you write us for full information. **LOTS CANNOT BE BROKEN.** Be sure you bid on the correct lot as we cannot be responsible for errors in bidding.

## NOTICE TO NEW BIDDERS

### Our Mail Auction Sales Are Conducted in the Following

1. Bids are entered in the order received; if identical bids are received, the first bidder is awarded the lot. **SEND BIDS AIRMAIL—IT PAYS.**

2. The highest bidder on the date of the sale is awarded the coin at a slight advance over the second highest bidder. Bids you send in are the maximum you are willing to pay for the coin. **WE, AS YOUR AGENT, TRY TO BUY THE COIN AS LOW AS THE NEXT HIGHEST BID WILL ALLOW.**

3. Valuations placed in the auction catalog are catalog prices, prices generally asked by dealers when the coin is in stock, or prices generally realized at auctions.

**ANY COIN WHICH IS NOT AS REPRESENTED MAY BE RETURNED WITHIN FIVE DAYS FROM DATE OF RECEIPT FOR FULL REFUND. YOU TO BE THE SOLE JUDGE AS TO CONDITION. YOU MUST BE SATISFIED.** No, you won't receive a nasty letter for returning a coin—instead you will receive a letter thanking you for calling attention to the error made in cataloging. While we try to describe coins as accurately as possible, it is inevitable that an occasional error is made in the cataloging of thousands of coins each month. Whenever this happens, we want it called to our attention to help prevent future errors.

The coins will be on display the day of the sale at our offices and can be seen by appointment any day prior to the sale.

If you are not interested in these sales, won't you advise us so we may discontinue sending you catalogs.

## NATIONAL GOLD BANK NOTES

All rare with most very rare. Friedberg recognizes their rarity by listing them in only good and fine in the catalog. GREATLY UNDERVALUED IN KEEPING WITH THEIR TRUE RARITY, PARTICULARLY IN FINE OR BETTER CONDITION. Issued in a ratio of about 1 to 1500 of the regular national bank notes, their rarity can well be understood. That any have survived is indeed remarkable since they were redeemable in gold coin which had a premium at various times over "greenback."

<b>245 \$5 1870 First National Gold Bank of San Francisco, very nearly unc. AN OUTSTANDING RARITY SO CHOICE. DUPLICATE IT IF YOU CAN (we do not know of an unc. specimen). **FIRST CHARTER NATIONAL BANK NOTES 1863-1874  
TYPE I**

Small red seal with rays, NO CHARTER NUMBER, \$1 and \$2 issued 1865-1874, \$5-\$10-20-50-100 etc. issued 1863-1874. Original act provided for \$5 notes and up, supplemental act provided for lower ones. These notes are all bicolored and are some of the most beautiful examples of our currency. The obverses have vignettes pertaining to American history or tradition while the reverses show some of the famous paintings that hang in the Capitol at Washington. Because of their beauty, these notes have unusual appeal. Choice specimens are very difficult to find today and prices seem to be rapidly rising (compare first and second editions of Friedberg's book on currency). THE STATE SEALS APPEAR ON THE REVERSE OF EACH NOTE. It would be interesting to make a collection of the different states and seals.

### 1882 WITH VALUE BACKS

While the catalog indicates this series as being scarce, it does not reflect the true scarcity in comparison to the other two 1882 series. We believe they should be somewhat proportionately higher than they are.

### 1902 NATIONALS WITH RED SEALS

Proportionately much scarcer than the other 1902 issues. We believe the catalog will eventually correct this (the second edition did partially correct their undervaluation but not to the degree it should).

374	\$5 Lyons-Roberts, United States Nat'l of Los Angeles, Calif., fine. RARE: Only a few banks had the words "United States" in their names when the Government prohibited its use in private banks. ## 1902 "SECURED BY U. S. BONDS OR OTHER SECURITIES"

---

Definitely a distinct variety with different backing (just as the green backs 1882 issue differ from the 1882 brown backs in their obligation—one has only U.S. bonds, other has different bonds.) Worthy of individual numbers in the catalog.

## "UNITED STATES" BANK NOTES

---

Only 11 banks used "United States" as part of their names before the U.S. Government forbade its use. They make an interesting collection. All now quite scarce.

## 1792 BIRCH CENT—FIRST CENT BY U. S. MINT

713 "LIBERTY PARENT OF SCIENCE & INDUSTRY" around head of Liberty, reverse "UNITED STATES OF AMERICA" around "ONE CENT" in center, 1/100 below, lettered edge "TO BE ESTEEMED BE USEFUL," one star after last word and a small leaf on each side of the star. AW-11, ONLY 2 OR 3 STRUCK. Obverse very good except RENT of PARENT worn off, reverse nearly worn smooth. We take pleasure in the fact that this is the second time we have handled this outstanding rarity. This is the specimen upon which "expert opinion" has based its claim that this coin actually circulated and should be included in with the collection of Large Cents. The last time we handled this specimen several years ago it had an estimated value of \$750; now it should be worth closer to \$1,000.

Judging from their popularity and small supplies available, a number of "sleepers" exist in the series. No doubt the guidebook will adjust values upward to reflect actual values as determined by auctions (the true supply and demand market).

## LIBERTY STANDING QUARTERS

---

We note a steady advance in values the past years and with present strong demand, we cannot help feel that present day prices will appear as "bargains" a year or two hence; in fact with the new guidebook coming out in June or earlier this year, you only have a few months to complete the series before they advance in value. The catalog states, "Uncirculated Liberty Standing Quarters with full head are worth more than prices listed below."

### \$21½ GOLD

With \$1 and \$3 now quite popular, we notice an increasing trend toward this series. We look for increase in values for this interesting series, especially in the scarcer dates.

2270 1796 TYPE I, NO STARS ON OBVERSE, UNCIRCULATED  
TINY NICK. AN OUTSTANDING RARITY SO CHOICE. RARE  
IN ANY CONDITION BUT EXCESSIVELY SO IN THIS STATE  
OF PRESERVATION. What few have come upon the market  
have been fine to very fine with one extremely fine in recent  
years. NONE HAVE COMPARED TO THIS SPECIMEN IN THIS  
REMARKABLE STATE OF PRESERVATION. Only struck a very  
few months when it was changed to the next type. **ONE OF  
THE MOST UNDERVALUED OF THE ENTIRE SERIES.** Regard-  
less of the price paid by the new owner, he should derive a  
great deal of pride and pleasure as well as "earn his interest"  
from this beauty. Since we must put an estimated value on this  
rarity we honestly believe its real value to be.....\$1000.00

## \$2½ GOLD (Continued)

**2271 1804 TYPE V, 8x5 STARS OBVERSE, 13 REVERSE STARS, uncirculated with slight orange tint. RARE SO CHOICE.** The rarity, especially in choice condition, of the early \$2½ is due to their being widely circulated and "spent" (the same as the minor and smaller silver coins). The larger gold pieces (\$5, \$10) were hoarded resulting in a higher proportion remaining in choicer condition. **THE \$2½ SERIES ARE GREATLY UNDERVALUED IN CHOICE CONDITION AND MUST INEVITABLY BE REFLECTED IN HIGHER VALUES WHEN THE COLLECTORS REALIZE IT.** ..... **200.00**

**2273 1808 TYPE VI, HEAD LEFT IN CAP, DIFFERENT EAGLE** very nearly uncirculated, sharp. **VERY RARE. PARTICULARLY SO CHOICE.** Probably the most sought-after type of the series as it is entirely different from all others and was struck only a few months. **AN OUTSTANDING "SLEEPER."** Record of \$1,000. Slightly better than the last specimen to appear in our sales which was estimated at \$850 and realized \$860; this one worth at least.....**\$1000.00**

**2274 1824 OVER 21, TYPE VII, SMALLER BUT THICKER, DIFFERENT BUST WITH FINE HAIR, very fine. RARE.**..... **125.00**

UNDERVALUED IN RELATION TO SUPPLY AND DEMAND and as always in cases such as these, they will eventually seek their level of true worth. ## IS THIS YOUR FIRST AUCTION CATALOG?

**Proof coins, branch mints 1892-1934 unc., currency and commemoratives** seem to be rising the most rapidly at present with most bringing close to listed values and a great number bringing even more. Many are rising from month to month with a number "just not obtainable." The coins most in demand will have the greatest number of bidders and with the law of supply and demand working, these coins keep setting new records.

Occasionally a collector writes us asking why our estimated values in some instances are higher than the catalog listing. This occurs when the demand is so great and the supply so small that new records are set whenever these coins come upon the market. If one will take a few moments to reflect, he will understand that it takes several months to compile the necessary information before the catalog can be published, therefore, it is inevitable that the catalog listing will be under the prevailing market price on the items in popular demand at the time of the publication. **The estimated prices are entered only after careful examination of the results obtained in our past sales which reflect the actual and not theoretical value. (PLEASE NOTE THAT MANY OF THE ESTIMATES ARE CATALOG VALUE ONLY. MANY OF THE GOLD COINS, SILVER \$1, WASHINGTON QUARTERS, ETC. ARE ESTIMATED AT CATALOG.)** in the final analysis, you the collector, are the one who sets the price.

**BIDS ARE RECORDED AS FOLLOWS:** Each bid sheet is given a number as it comes in, and the bids are recorded. In the event of identical bids, the first bidder receives the lot. At the last day of the sale, the books are closed with the highest bidder on each lot being awarded the lot at an advance of not over 5% above the next highest bidder. For illustration—the two highest bids received on a lot may be \$17 and \$20. The highest bidder who bid \$20 would receive the lot at \$17.25. We act as your agent and use your bids as a limit—not as a final bid unless we are forced to do so to obtain the lot. We accept unlimited bids which generally assures the bidder of obtaining that lot regardless of what the highest bid may be. Where the lot is bringing far more than we believe it is worth or in the event of two unlimited bidders on the same lot, we notify the unlimited bidders by phone or wire, if necessary, in order to obtain a fixed limit to the bid. Even the auction purchases are supposed to be final, we do not want you to keep any lots which you believe are improperly described. We endeavor to treat our customers as we would wish to be treated. Coin collecting is a personal hobby which makes life a little more pleasant. We try to keep it on a friendly basis and value the many friends we have made thru the years. If you have any complaints, we want to hear them as well as any compliments.

**YOUR SUCCESSFUL BIDS WILL INSURE YOUR RECEIVING THESE  
SUCCESSIVE CATALOGS WITHOUT INTERRUPTION.**

## BARGAINS GALORE

In every sale, some lots go at "bargain prices." May we suggest that in addition to bidding on those lots you "really want," you place nominal bids on those lots that "you might buy if they went at bargain prices." While you may not obtain many of these "bargain lots," yet in every sale you may pick up some real bargains.

Sincerely,

A. M. KAGIN and PAUL KAGIN
